Preston Knibbe

pknibbe3@gatech.edu

I worked on the homework assignment alone, using only this semester's course materials

Introduction

Hi! My name is Preston Knibbe, I'm a Freshman CS major. I grew up in Northern Kentucky and went to Walton Verona High School. For fun I play golf, toss the Frisbee, listen to music, and go backpacking. I took a website design class my sophomore year of high school and ever since then I've been teaching myself to code. I now know HTML, CSS, Javascript (kinda), and PHP. I'm really looking forward to learning Python over the next semester!

Mystery Code

Hello Preston, nice to meet you.
Glad to have you in CS 1301! Your secret code is: 226674
